From the Governor

We have had a very successful July with lots of activities ranging from fundraisers to getting the parking lot re-surfaced to having a 4th of July celebration and cookout. August looks to be just as busy. The first event will be the Leo Brother's Hog Roast Saturday August 4th. The rest of the month will be full of many more activities including two fundraisers.

Please continue to support the Lodge and Lodge functions. It is because of our members that we are able to reach-out to so many, support our community and we continue to grow our membership and strengthen our Lodge.

God bless Mooseheart and Moosehaven

David "Guss" Gillis

From the Senior Regent

July was another busy month! We had a very good turnout for the 4th with burgers and brats and a very, very great fireworks display. Many thanks for good side dishes and donations for the fireworks!! We have several benefits happening at our Lodge and appreciate so much, the hard work, donations and just everyone working together to help and assist our members and community. Hopefully this really hot weather will slow down and with cooler weather, more of our members will feel like coming. Our Chapter welcomes our newest member, Deann Burris and two members that have rejoined, Patti Clark and Sharon White. We are looking forward to Moose Conference in Jefferson City August 23rd-26th. Hope to see a lot of you there. If you have never been, do try to attend at least a few days. You'll have fun, as well as learning what is "new".

Theresa Miller-Braley, Senior Regent

Annette Lindsey Cancer Fundraiser

I'd like to give a huge thank you to each and every person that volunteered, donated, attended, and participated in the Cancer Benefit fundraiser for Annette Lindsey. Annette and her family were so appreciative of everything we were able to do to help with her medical bills during this trying time. I truly believe we have one of the best Lodges when it comes to pulling together to support our members, their families, and the local community in events like this.

Thank you all again.— *Melinda Barker*

Moose On A Mission

During the "Moose On A Mission" campaign, we challenge every Lodge and member, to focus on a mission that will benefit their Lodge, community and fraternity. This annual campaign should bring like-minded members together to attain their mission. Regardless of your mission, strive to continue to help those in need and ultimately our children at Mooseheart and our seniors at Moosehaven.

All members that sponsor five individuals during the campaign will qualify for the Moose International 5 Club. Members attaining this level will receive a "5 Club" logo static window decal. Funds generated by 5 Club members will be donated towards the purchase of a farm truck, with plow and salt spreader for the Mooseheart campus. Last year, through the generosity of the members of the "5 Club", Mooseheart was able to purchase two security vehicles and turn the old vehicles over to the Driver Education department. This award is made possible by your State/Provincial Moose Association.
