Great News! Moose Lodge 2414 has met all of its goals and we have once again achieved the title of "Premier Lodge"!

Premier Lodge can only be achieved when Lodge members, Chairs, and Officers work together. Our membership is up, members are re-upping dues, bringing more new people in, we have raised more than our goal for Moose Charities, and we have reached out to our community. Being a Premier Lodge can mean any number of things to include, more special visitors from Moose International, local community media recognition and grant money to use for some much needed building repairs and upgrades. This is a great honor and all members should be very proud. We all came together on so many projects, stepped up and made this happen.

We did this together as a team!

Moose

From the Senior Regent

The month of May has come and gone and hopefully better weather is upon us. Despite the storms, we saw a busy month of activities with Mother's Day, our regularly scheduled meetings, 2 HOTT Training classes, the Moose for Moose event, Memorial Day and a Special Meeting and Vote to join the Missouri-No Kansas Moose Association. The Chairman for the year have now met with the Board and the roster has been divided. Each member of the WOTM has been assigned to a committee. You should be hearing from your Committee Chair in the next few days. I encourage you to get involved as they begin planning fundraisers and events for the coming year. Your participation is wanted and needed for a fun Chapter year!

Our May Co-Worker of the Month was Crystal Wolfe. Crystal was recognized for all the help she provides with not only the WOTM, but her willingness to step-up and help with LOOM and Moose Legion events, as well. She offers assistance were ever and whenever it is needed and she does so with a smile on her face each time. Congratulations Crystal!

June is shaping up to be a busy month!

- Activity Night to be held on Wednesday, June 5, 2019 at 7pm and will be hosted by Gina Sloan, our Community Service Chairman. Our special project for June will be the Feed a Home in December program on the Mooseheart Campus. The funds generated from this project are utilized to feed a home of 10 girls or 10 boys for a month and support our Mooseheart community! I hope to see you there!
- The WOTM will host a Father's Day Fish Fry on Saturday, June 15th from 2-4pm. The menu will include fried fish, hushpuppies, coleslaw and ham and beans. Father's eat free and \$7 a plate for all others. If you are interested in donating food items and/or helping serve that day, please reach out to one of the Board of Officers and let us know.
- The WOTM will be holding a Parking Lot Sale on Saturday, June 22nd from 9am – 3pm. Proceeds from the sale will help grow our general fund. If you are interested in helping with the sale, please let us know. If you are donating items to be placed in the sale, please ensure they are clean and ready to be priced. We will be meeting on Friday evening (June 21st) to organize and price items for the sale on Saturday. Any items that are not sold will be donated to a local charity once the sale is over.

To all headed to International at the end of the month, I wish you a wonderful and safe trip!

Mary Eidson,

Senior Regent

Moose for Moose

When I joined the Moose in 2014, it didn't take long to notice a strong bond between our Lodge and Lodge 1999. Lodge 1999 is an amazing Lodge with a very strong membership base and each year we work together to support each other on many projects and events. I always felt that Lodge 10 was left out and I didn't understand why. I had visited the Sugar Creek Lodge on many occasions and found it to be very nice, accommodating and kind of cozy. Some time ago the City of Sugar Creek imposed a law that prevented them from having any games of chance, such as shaker pots, Queen of Hearts, Moose Races or even Cake Walks. Having learned of this and realizing the negative impact this law would have on an organization such as the Moose, we reached out to them earlier this year during the Mid-Year Celebration and on Saturday, May 25th Independence Moose Lodge 2414 opened its doors and hosted Lodge 10 for a fun afternoon of games and food. Our brothers and sisters from Kansas City Kansas Lodge 1999 also joined in the fun. It's so great to see each of our Lodges support one another. Lodge 10 prepared a variety of food. We had multiple Moose Races, Queen of Hearts and raffles. Lots of money was raised for Lodge 10's endowment fund and Moose Legion. Later that evening some of us went to Lodge 10 in Sugar Creek to listen to the band Trio, dance, and celebrate Lodge 10's 109th Birthday. Since reaching out I have noticed more of their members and Officers frequenting our Lodge. There is an open dialog between us, a willingness to help each other, and even barter some services. I am proud of our Lodge for being so gracious and look forward to growing a strong relationship with Lodge 10. If you haven't been to Lodge 10, you should visit and if you have, you should visit again!

MOOSE - CREATE OUR FUTURE

May 1, 2019 - April 30, 2020

The future of our Mooseheart children's education and well-being depends on what we do today. The responsibility to continue to provide what we promised to our senior members rests with us now. It's up to US to make sure that there IS a future! To do so, we need to Create Our Future now. The best way to do so is to introduce our friends and family to the Moose. Sponsor a member today so that we can grow the Fraternity for the future. We may never enjoy the shade of the trees that we plant but our legacy will live on in the hearts of those that we support.

Moose - Create Our Future pins are presented by your Lodge, Chapter or Moose Legion to individuals that sponsor their first member during the campaign.
